- Children are requested to be ready at the respective stops at the scheduled time to avoid delay.
- If a child wants to stop availing van facility it should be informed a week before the commencement of the term, for attendance purpose.
- Students should strictly maintain decorum inside the van. If any student is found to be indisciplined, he/she will be prohibited from using van service.
- Students are requested to inform their absence well in advance to the office or drivers to avoid the van waiting for them at the stopping unnecessarily.
- *If van services could not be provided due to unavoidable reasons parents have to arrange alternative transportation for their wards.*
- **Fees should be paid on or before the 10<sup>th</sup> of the van fee term.**
- Van service will be terminated if fee has not been paid within the stipulated date.
- Stage fixation is based on the availability of vehicle on that route and it will be finalized by van incharge.
- Giving tips to the driver and attendant is strictly prohibited.
- School does not encourage paying fees through van drivers or cleaners.
- Kindly refer to the Restructuring of school van service 2023-2024 for further information.
